

# HVCVR

THE HUDSON VALLEY  
CENTER for VETERAN  
REINTEGRATION

## Veteran Technology and Employability Skill building Event

**September 25, 2019**

**12 - 4 pm**

**Kiwanis Ice Arena**

6 Small World Ave, Saugerties, NY 12477

The Hudson Valley Center for Veteran Reintegration works to empower our military men and women to live successful, fulfilling lives. The mission of the Center is to provide support for both our current military personnel while they are back home and our Veterans by assisting them with their transition back into civilian life.

We are proud to partner with Toyota and Tech For Troops to provide laptops, cases, other gear, and training to eligible Veterans in the Hudson Valley.

Volunteers, Instructors, and Technicians are traveling from around the country to attend this event and provide high quality equipment and training for our Veterans.

The event will bring Veterans and organizations from all areas of the Hudson Valley together in Ulster County. It is our opportunity to work together for the benefit of the Veteran Community.

In order to protect the Veterans privacy and rights, we will rely on you, our partner organizations and agencies to bring your vetted individuals that will benefit from this service the most. The focus is on homeless, unemployed, and struggling Veterans, as well as transitioning military personnel. We will only require some basic information, this is to personalize the Veterans Laptops.
