Join us on November 20 for our next WISE webinar!

Find out how Ticket to Work resources can help veterans with disabilities prepare for successful post-service careers. With **free** services and support from Ticket to Work service providers, you can find help as you make the decision to return to work, look for a job, and successfully transition to civilian employment.

During the November WISE webinar, we'll talk about the job supports that can help you start on the path to work.

Join the webinar to find answers to questions like:

- What types of services and job supports are available to help me re-enter the workforce?
- How can I connect with a Ticket program service provider?
- Where can I learn more about how working and earning income will affect my Social Security disability benefits?

Questions about Ticket to Work?

The Ticket program supports career development for people ages 18 through 64 who receive Social Security disability benefits (SSDI/SSI) and want to work. Monthly WISE webinars offer you the opportunity to learn more about this important Social Security program, Work Incentives and other resources that can help you, or someone you know, succeed on the path to financial independence through work.
